Gentlemen—It would be to ergor you need to be a series for the counsel for the counsel

Menument to a Slave.

Menument to a Slave.

Menument to a Slave.

The very slightest reflection upon your part, and on the part of those you represent, upon a monument over the grave of the slave.

Menument to a Slave.

— Made Uglade, on the 16th ultimo, gave a molive at the Dulley Gallery, London, where the mature of these type reside to monument over the grave of the slave.

Menument to a Slave.

— Made Uglade, on the 16th ultimo, gave a molive at the Dulley Gallery, London, where the mature of these three propositions, will be the nature of these three propositions, will be the nature of these three propositions, will be the nature of these three propositions. The students of Howard College have exceed as manifered it the Dulley Gallery, London, where he place of the save the grave of the save placed in a more awkward position than that in which he finds himself immediately you, that any agreementary in the finds himself immediately after a long and heated pollical contest. His thought have been so closely continued to the word of the word of

and thriving city, but then there is staring us in the face that old proverb, that "self-praise is half scandal;" and besides, we do not know that the subject would bear more than we have that the subject would bear more than we have been desired to or adopt any of goar three propositions.

We have not any of goar three propositions. We have no desire to see you, and those you time, and rest railaided for a day or so in the refrection that we have written a two page article, not political, for the Suspay Apral. If you don't like it, you need not read it.

The Bostscholders, we do not know that the subject would bear more than we have written a two page article, not political, for the Suspay Apral. If you don't like it, you need not read it.

The Bostscholders, and rest railaided for a day or so in the refrection that we have written a two page article, not political, for the Suspay Apral. If you don't like it, you need not read it.

The Bostscholders, with a self-praise of the submit in the common of the page of the middle of the season.

A Horse Trade.

The Bostscholders, who are to be adenticed at an excellant, and earned to contend the might don't have a desired the save at the bows and the season.

A Horse Trade.

The Bostscholders, who are to be adenticed at an excellant, and the common of the save of consists.

The Bostscholders, who are to be adenticed at an excellant in the content in the fact that the save of consists.

A Horse Trade.

The Bostscholders, who are to be adenticed at an excellant in the common of the save and the save of consists.

A Horse Trade.

The Bostscholders, who are to be adenticed at an excellant in the common of the save of consists.

The Bostscholders, who are to be adenticed at an excellant in the content in the content in the content in the save of consists.

A Horse Trade.

The Bostscholders, who are to be adenticed at an excellant in the content in the content in the save of consists.

The Bostscholders, and the save of consists.

The Bostscholders, and the save of consists

ment which may probably bring about a collision between the State authorities and the people. We desire not to do them injustice, and if we have done so, it has been under the excitement generated by a controversy cylcular the total controversy cylcular ted to arouse plassion and excite feeling.

But that in our course of simply upholding the law, it should enter hit our opinions have been purchasel, is strange indeed, and only tends to whole was treamed and determined in this city, before any strange indeed, and only tends to whole auch excitements tend. To those who know use we need not have aid one will consent to with one word in our vindication, for our friends will covered the matter, leading and the first the first plant and the people. We desire to to do them injustice, and it is to the hard a substitute of the application of fast at the people. We desire to to do them injustice, and it will be a storaged here the hard of the application of fast at the people. We desire not to the next the fast of the application of fast at the people. We desire to to do them injustice, and it will be a storaged here the hard of the application of the surface and some three times—also the troop of the stronger werthin amendment of the application of fast at the people. We desire to to do them injustice, and that the will only the storage and strength of the stronger werthin amendment of the application of fast at the flat flower and one that white pebble was the cruit of the attention of the wind of the throw and one times, and that the wind of the troop one attention of the people and the troop one at the people. After a cruse of 37,000 miles, during which twenty five foreign appear in Equiliary policion.

The propositions are submitted to use as submitted to a some three times—also which the exity of the stronger were than a under that the three and some three times—also which the exity of the stronger were the stronger and the people was the cruit of the stronger were the stronger and the propositions are submitted t

Bottlegs in Theatrical and Musical Circles. The church of R.v. Dr. Bethane, Brooklyn.

BOTHING TO WEAR.

And oh, if prinkings in its cloud be a sphere, Sthere all is make right which so pushes as here, Where all is make right which so pushes as here, Where the glass are the glaber and masses of it me. Puch and did in the light of that region notities, Where the root, missian and shows, and prelaped to the first property, and shows, and prelaped Mist, he chellen for the life and the sergion socket, With you'lly least, fullly, measures and love; Ob, deaghers of Mist it reads to replace and one; Ob, deaghers of Misting for the time and trapellar the misting in wear? Our Old Grandmother.

longht of days, let them love and honor her, suggestin for we can tell them they will never find anwith many knives that have been sharpened smooth with many little fingers that of the chase, of this famous cos nette: have cling there. There are amirrors topthe old andirous, with rings in the top, wherein
many temples of flame have been builded, with
spirre and turnels of crimson. There is a
spirre and turnels of crimson. There is a
spirre and turnels of crimson. There is a broad, worn bearth, by feet that have been torn we value it. My femily have need it almost daily for and bleeding by the way, or been made "beautiful," and walked upon floors of translated gold. There are torgs in the corner, wherewith we grasped a vori, and, "blowing for a little life," lighted our first candle; there is a shovel, wherewith were drawn forth the playing and the life, and in all cases of which we granted the rechts from the face of my if the boy, leaving his aim shorel, wherewith were drawn forth the playing embers in achief we want to be a smooth and fair. And in all cases of whitem ar uritized to the fair, then wherever came, it has thus for

wished there were more of as to love, and tonk If the school in the Hollow for grandchildren beside. A great, expansive heart was bera, beneath that woolen gown, or that more stately state. Proc 50c and \$1 per builty. hombestue, or that sole helr-loom of stiken We can see her to-day—those mild blue eyes,

that held both amiles and tears within the faintest call of every one of us, and noft reproof, that seemed not passion but regret. A white tress has escaped from beneath her mowy cap; she has just restored a wandering lamb to its mother; she lengthered the tether attempts to harness the cat. The tick of the cleck runs faint and low, and she opens the mysterious doors, and proceeds to wind it up. We are all on tip-toe, and we beg in a broak to be lifted up, one by one, and look for the hundredth time upon the tim cases of the weights, and the poor, lonely pendulum, which since of goods in this line, such as goes to and fro by its little dim window, and SADDLES, never comes out in the world; and our petitions are granted, and we are lifted up, and we and the music of the little wheel is resumed

Was Mary to be married, or Jane to be
wrapped in a shroud? So meekly did she fold the white hands of the one upon her still bosom, that there seemed to be a prayer in he white rose in the hair of the other, that

one would not have wondered had more roses How she stood between us and apprehended harm! How the rudest of us softened beneath the gentle pressure of her faded and tremulous hand! From her capacious pocket that hand was ever withdrawn closed, only to be opened in our own, with the rate she had gathered, the cherries she had placked, the lit- Machine-Scretonel Leather and Gam-Kashie fit egg she had found, the "turn-over " she had baked, the trinket she had purchased for us as the product of her spinning, the blassing of all sixts, from two to sixteen mechanism on witth, and as she had stored for us—the offering of her we are the Agints of the meaning them

What treasure of story fell from those old lips -of good faries and evil, of the old times when she was a girl; and we wondered if ever -but then she could'nt be handsomer or dear-er-but that she ever was "little," And, then, when we begged her to sing! "Sing us one of the old songs you used to sing mother, gran-

"Children, I can't sing," she always said; varn upon the floor, and the clock ticked lower would'nt do for the parlor and the concert-room now-a-days; but then it was the old kitchen and the old-fashioned grand nother, and the old ballad, in the dear old times; and we can hardly see to write for the memory of them, bough it is a hand's breadth to suspet.
